Dear Jeremy,

We hope you had an excellent time at our latest installment of our Martini Jazz Night series. To keep up that momentum, we are hosting a new band to IBG. Red X will be performing this Friday. This very diverse trio has a library of over 900 songs! You will surely hear one of your favorites this Friday. Also, one of IBG's favorites the Sunsetters are performing this Saturday. This weekend's draft special includes \$4 pints of Killian's Irish Red and Ol' Red Cease and Desist. Also, enjoy \$4 drinks of "Something Different" and our \$2 flavored German's beer (details below). Hope

UPCOMING PROMOS

SummerBright Ale

"I have had Breckenridge beer before. I loved their Christmas Ale and wanted to try their summer beer.

It's a rather nice looking beer, not much head though.

Smell is pleasant with a faint aroma.

Taste is very good, possibly a bit of lemon.

Not much aftertaste. A nice beer for hot days.

Mouthfeel is good. A good bit of carbonation and goes down very smooth.

This is a very drinkable summer beer. Although I like the Christmas beer better, I could easily drain a six pack on a hot summer day."

Kona Longboard

"12oz bottle from the local Hannaford. Pours a light straw yellow crystal clear body with a short lived half inch of off-white head.

Smells somewhat bready and biscuity. Tastes sweet with some bready elements

everyone is enjoying their Summer!

Stay fresh,

citric hoppiness supporting.
 Light bodied with moderate carbonation. Very easy drinker, even for the style. I'd definitely get this one again, either to have with macro-drinking friends or on a hot summer day. Good stuff."

Pinnacle Banana Vodka

"Pinnacle Vodka is made in France produced by [Distillerie de la Tour](#) in contract with White Rock Distilleries, who acts as importer. The vodka is made with French grain and water.

Pinnacle Banana vodka is, quite obviously enough, the banana flavored expression from the long line of flavored vodkas from the label."
